DESCRIPTION	This imaginative sculptural cocktail table is hand-crafted in a limited edition of 2. The life-like form is hand-carved out of wood and covered in a high-gloss jet-black resin glaze. Hand cut bronze finished suction cups are screwed into the tentacles creating a dramatic effect. The table top is finished in a hand-carved wave resin finished in a high gloss topcoat. Through the magnifying wave-like effect off the resin top the octopus is imagined floating in an ocean of water. Limited Edition of 11. Hand signed and numbered by artist underside.
